LPSG is reaching out to families and providing an opportunity to give an end-of-the-year donation to support our work in your child's school. All donations are tax deductible and will go a long way towards providing extra support for students and staff at Lincoln. With your help, we will continue to provide community building activities for Lincoln families, funding for teachers to use in their classrooms, and support our new after-school arts program.

Please give at whatever level your family is comfortable and make your check payable to LPSG. To make a donation, fill out the back of this form and include it with your check. The form and check should be placed in the envelope that you received and dropped off at the Lincoln office. You will receive a receipt in the mail that includes our tax id number. Thank you so much for your support!
